

S. E. MONSEIGNEUR MARCEL LEFEBVRE + Evêque, 28 oct. 1988

Very dear Mr E. A. Wilson,

Thank you very much for your kind letter. I agree with your desire to reordain conditionally these priests and I have done this reordination many times.

All sacraments from the modernist bishops or priests are doubtful now. The changes are increasing and their intentions are not more Catholic.

We are in the time of the great apostasy.

We need more and more bishops and priests very Catholic. It is necessary everywhere in the world.

Thank you for the news paper article from the Father Clevero Antonio Juez, Jesuita!

We must pray and work hard to extend the Kingdom of Jesus Christ.

I pray for you and your lovely family.

Devotely in Jesus and Mary
